**Jim Becker Named Community Chest Area Chairman for 1960**

First official meeting of top leadership for the 1959-60 Community Chest fund appeal in Harbor Area was held in the Hollywood Riviera home of television star Rosemary de Camp, before she left for Europe earlier this month.

Area chairman this year is Jim Becker, Torrance-Lomita manager for Southern California Gas Co., Torrance city chairman last year and named outstanding volunteer leader at the annual meeting of the Welfare Federation area board. Other cabinet appointees, announced by Glenn Koger, Welfare Federation area chairman, include Fred Mill, Torrance Chamber of Commerce president, a re vice chairman; Frode Kilstofte, Wilmington, president, Rossman Mill & Lumber Co., advance gifts chairman for third year; and Bert Lynn, Torrance civic leader, commerce and industry chairman.

**BECKER**, who has participated in many area campaigns, recently was named president of Torrance Dental Health Assn. He is past city chairman for Harbor Area Boy Scouts, a Community Chest agency, and is completing a term as Lion Tamer for Torrance Lions Club.

Division controller and assistant secretary of National Supply Co., Mill has served as president of the National Assn. of Accountants, Long Beach branch; secretary of the Torrance Industries Tax Committee, chairman of the School Study committee of the Educational Advisory Commission; and currently is a member of the Torrance Rotary Club.

**DEAN** of Community Chest leaders in Harbor Area is Frode Kilstofte, a volunteer, with Mrs. Kilstofte, since the Chest was founded in 1924. He is a former member of the board of directors of Los Angeles Welfare Federation, currently a member of the board of governors and of the agencies fund-raising committee; a past member of volunteer budget review committees, and serving currently on the Harbor Area Board.

Kilstofte is donor of the advance gifts trophy awarded an-

nually to the division making the highest percentage of its campaign quota.

Commerce and Industry Chairman Bert Lynn has served on the Torrance Planning Commission for five years, four of them as president, and was recently elected vice president of the Southern California Planning Congress, an association of approximately 100 cities. He is active in Little League, a board member of Torrance YMCA and for several years has served as chairman of the United Jewish Appeal in the Torrance area.

**BETTER** known to the public currently as the beautiful sister in the Bob Cummings television series, Rosemary de Camp is well remembered for her many film roles and as the nurse, for many years, of the Dr. Christian radio dramas.

Her Torrance neighbors know her as the wife of Judge John A. Shidler, with whom she is currently touring Europe.

Mother of four children, she is an active participant in community events and annually gives up to 100 hours volunteer time to the Permanent Charities through which the Motion Picture Industry contributes to the Community Chest.

Residential recruitment will become an active program, with her return from Europe next month.
